

**Department of Theatre Arts
Production Meeting Notes**

Production: TICK, TICK...BOOM!
Stage Manager: Morgan Millard
Assistant Stage Manager: Leah Costello
Date: Friday, October 17th, 2025

Director: (Nic):

- Designer run went well! Thanks to all who attended.
 - Will email potential transition ideas to Ozzy, Dave, and Nate.
-

Music Director (Katie):

- No updates at this time.
-

Scenery (Nate & Dylan):

Set Designer: (Nate)

- Discussed the possibility of using a period TV (or a period TV shell with LCD inside) for preshow and/or transitions.
- Will be collaborating with Dave and Mandy regarding the possibility of the TV—will look at one in props storage.
- Confirmed the stage right masking by the elevator will be pulled back ~4 feet.
- Confirmed the stage left masking flat will be utilized.

Technical Director: (Dylan):

- Dylan will look at the piano brake and wheel mechanism, making adjustments as needed.
 - Is hoping to have walls up before tonight's rehearsal
 - Confirmed the entertainment chest will be completed by Monday (10/20).
-

Costumes (Anna, Logan, Apollo):

- Will be creating a quick changes plot, may be cutting some pieces.
 - Would like fittings next week for all three actors.
 - Will be obtaining new heels for Ellie.
 - Will be ordering a new cigarette holder (silver).
-

Props (Mandy, Apollo):

- Dr. Nic found that original *Sunday in the Park with George* window cards had a band of gold of surrounding it.
-

Lights (Mandy, Coleman):

- Would like to know as soon as the *Sunday* scenes are determined in the prologue.
 - Dave will tape out the locations of lighting booms behind the cityscape walls for blocking purposes. These will be marked with 'X's
 - Hazer testing will occur next week.
-

Sound (Dave, Alex):

- Would like to know as soon as the *Sunday in the Park with George* scenes are determined in the prologue.
 - Will pull the Sondheim voiceover from the *Tick, Tick... Boom!* movie.
 - o Laurie will send Dave the clip for the Sondheim voiceover.
 - Will continue to note places where tick sound effects may be useful.
-

Dramaturgy (Ozzy):

- Website is coming along and will include a Q&A section.
 - Would be happy to collaborate with other departments to create playbills, posters, window cards, etc.
-

Stage Management (Morgan & Leah):

- No notes at this time.
-

Other:

- Props view will take place on Friday, October 24 at 2:15pm in the Fred.
- Our next production meeting will take place on Friday, October 24 at 12:05pm in Room 70. Thank you!
